

First of all, let me say thanks so much for providing the funding for my reading grant last year. I used the funds to purchase class sets of chapter books to use for novel studies. With the funds, I was able to purchase class sets for 7 different novels. I was also able to purchase units to use to supplement these novels and crates to store them in. I have been very excited about using these in class. However, due to COVID and the crazy school year, I have not been able to use them yet this year. I have the books all organized and ready to go and am hoping that I may be able to use at least 1 of them before the end of the school year. Attached are pictures of the books in their tubs. Please let me know if you need any additional information from me. Thanks again for supporting me, as well as all the other teachers.
