

2021-2022 Grant Summary - For the Love of All Things Literacy!

With the 2021-2022 grant, I was able to purchase the Lakeshore big book activity kits, Lakeshore storage rack for the big books, Vowel teaching tubs, Digraph teaching tubs, and the Lakeshore word building blocks! So far, I have been able to implement the use of these materials for shared reading, read alouds, stations, and small group activities. The students LOVE the big books kits and being able to use the materials to retell and act out the story after we read. The students have also really enjoyed using the teaching tubs in small groups instruction. These were extremely useful at the beginning of the year when we were reviewing vowel sounds and then learning how to digraph chunks. I, along with my students, are very grateful for the opportunity to have these wonderful learning materials and look forward to using them even more in the future!

Thank you SO much!!
