

Flexible Seating Grant Summary
Brooklyn Johnson
Third Grade
Johnston Elementary

The different types of flexible seating, which I purchased from my flexible seating grant funds, have been such a blessing this year. The use of flexible seating within my classroom has empowered my students to take charge of their learning experiences and has also fostered a greater sense of ownership and responsibility for their education. They have also learned with flexible seating how to be able to self-regulate, use movement as needed, while still maintaining focus during lessons! Students have had the opportunity to learn in an environment in which they feel safe and comfortable!

Below are a few pictures of students using the flexible seating options that were provided through this wonderful grant:
