

Thank you so much for funding my grant this past year. It allowed me to purchase much needed items for my classroom, such as a new meeting rug and updated center and learning station supplies. We spend much time learning together on the rug and through centers and stations. Thank you again for making it possible for me to purchase these materials for my classroom. It certainly made a difference for my students this year and will continue to impact my classroom for years to come!

Thanks again!
