**2025-2026 School Year
Teacher's Vision Grant
Application Guidelines**

The objective of the Foundation for Public Schools in Edgefield County is to recognize and reward outstanding teachers who have innovative and creative ideas for enriching their curriculum to provide students with additional learning experiences. We will distribute a minimum of one grant of up to \$1,200 at each of our eight county schools, providing each school has a qualifying grant.

Who Can Apply?

Any K-12 teacher from the Edgefield County School District may apply.

When Is the Application Due?

- Your principal will set a date for your application to be due for their approval
- The Foundation will pick them up from the principal at 12:00 noon on September 12, 2025.

How Are Applications Judged?

The Principal Review Sheet (page 1) serves as the means to ensure applicant anonymity where each application is assigned a four-digit number and teacher information is documented. This sheet is retained in the principal's office. The remaining portion of the completed application will be identified only by this four-digit number and forwarded to the Foundation where it will be evaluated by the board. Once the winners are chosen, the eight principals will submit the list of teachers' names and corresponding numbers to the Foundation so identities can be determined. **The Foundation reserves the right to reject applications of past recipients who have failed to submit a program evaluation.**

Applications will be judged on the following criteria:

<p>IMPACT: Potential to improve student achievement; potential for continuation and/or replication; potential to enhance instructional skills</p>	<p>MANAGEMENT: Clear plan for project implementation; teacher capability; cost effectiveness and realistic budget</p>
<p>INNOVATION: Creativity of project; innovative approach; academic objective within curriculum context</p>	<p>EXISTING RESOURCES: Grant funding will not replace existing funding. Project cannot be achieved with existing school budget.</p>

When Will the Recipients Be Announced?

All grants will be awarded October 22, 2025.

What Type of Program Evaluation Is Required?

A brief summary of the grant and its effectiveness is required. Please include pictures, if possible, **but only include students where the appropriate waivers have been obtained as required by privacy guidelines.** Please email the summary to edgefield.school.foundation@gmail.com by April 30, 2026. Your program does not have to be completed, simply review the progress made.
