Playground Music

We are very thankful for the grant!! We used the funds to get a xylophone for the playground that kindergarten, pre-kindergarten, and the younger SPED class uses all of the time when on our playground. We also got small balls, walking steps, boomwhackers, stepping stones, and musical egg shakers. Each and every thing that was purchased has been used and appreciated so much. Many of these students have never used these objects and were given the opportunity to have personal experience. Thank you again for granting me the funds to purchase these things for these students who have appreciated them so much!!
